Thank you Tom. It looks good. I made a few changes.

Jeaneanne, attached is the most recent version.

Jeaneanne – As a follow-up to our discussion this morning, please see the attached revised comments. You'll note that the last page includes comments on FDEP's draft 404 Handbook, which used a more abbreviated format than what you requested, as the comments on the Handbook all suggested clarifications that in many cases were not directly related to an explicit federal regulation. If you have any questions or comments please let me know. Thanks. Tom
